

UPDATE:

CLAY CROSS PARISH COUNCIL

On behalf of the Parish Council, Clay Cross Angling Association manage and maintain Meadow Farm Fishing Pond in Kenning Park. With the fishing season now underway, the water is warming up and the fish are starting to feed. There are plenty of ducklings on the Pond this year and the swans are now sitting on their eggs.

The Environment Agency has supplied two floating islands, which should look well when the seeds have grown to produce a carpet of green along with some colour and will act as a shelter for the fish.

The Association also manage and maintain the Lido and Wall Ponds at Wingerworth. Clay Cross being a mixed fishery and the Lido an excellent carp, bream and tench water, whereas the Wall Pond is mainly a silver fish and tench water.

Membership books are available and cover all three ponds, £30 seniors, Concessionary £20 and Juniors £10, per annum, from the Pond bank on the day or by phoning 07563 523 054 in advance. You can also visit our Facebook page, Clay Cross Angling Association.
