

UPDATE:

CLAY CROSS PARISH COUNCIL

CX21 Youth Club is a relatively new venture that is committed to providing a safe, welcoming environment to young people from Clay Cross and surrounding area. CX21 is based at the Social Centre on Market Street, sessions are held every Monday evening from 7PM – 9PM (term time only).

We have some great activities on offer from table tennis, pool tables, arts and crafts, as well as Xbox and PlayStation consoles. We also feature special evenings such as bath bomb making, cooking, baking and themed nights. There is also a well-stocked tuck shop that opens at intervals throughout the evening.

Our vision is to provide young people with new opportunities in a caring, safe environment where they can relax and meet friends but also be part of the wider community. We feel passionate about broadening their horizons giving them quality experiences and consistent support throughout.

for further information.

A team of dedicated volunteers help run the Club activities with ideas and input from the young people. Each volunteer offers their time and skills to help the Club expand and succeed.

We would also welcome any new volunteers who believe they would like to be part of our journey, helping to support and shape our young people's lives. If you have the time and commitment we are looking for; and want to be part of a growing supportive team, then please do not hesitate to get in touch.
