

UPDATE:

CLAY CROSS PARISH COUNCIL

The staff at Clay Cross Parish Council have been very busy over the last year. The Parish Council was one of the first to launch its own website many years ago and a completely new version has now been made available - www.claycross.gov.uk

The website contains a wealth of information about Clay Cross and your local services, please take a few minutes to have a look and complete our Climate Change Questionnaire (for both residents and businesses). The picture gallery contains many aerial photographs of the town and Kenning Park.

Another major project undertaken was the relocation of the Parish Council office into the former Rykneld Homes Area Housing office at the front of the Social Centre.

Clay Cross Parish Council continued to support local groups and organisations, along with supporting Holmgate Primary School and Sharley Park Community Primary School with help towards their Christmas activities. Clay Cross Social Centre on Market Street continues to be a popular venue where many community events are held each month. We

also have several allotment sites, recreation grounds and Kenning Park where the town's Library and Forest School are situated. Many of you would have visited Clay Cross Gala which was held in the Park for the first time last summer and experienced the Love Exploring app that brings the Park to life.

Councillors Gerry Morley and Brian Wright alongside Kay Adlington with some of the food donated to Clay Cross Food Bank at the weekly bingo session held on 22 December 2021.
